### Clarification of Fees:

The **deposit** is compulsory for all learners once registration takes place with Mariaan Swim School. It is refundable during the month of notice or can be applied as the swimming fee during the notice month, irrespective when notice is given.

Please note that **swimming fees** are calculated **per quarter** and not per month. The quarterly fee can be paid monthly, although lessons will only take place between the dates as identified. CASH discount applies: If cash payments are made, the amount is less and if the full quarterly fee is paid in cash, on or before the specific date as indicated above, an additional cash discount will be applicable.

Quarterly swimming fees (excluding the deposit) will be calculated on a pro-rata basis if lessons commence later in the quarter and as agreed with Mariaan. The swim school will determine the amount due, on request.

**Collection fees** will be charged for late payments as determined by the collector/attorney

Transport is provided **free of charge** from identified schools in the Centurion area
